

## *Tina as a Worship Leader*

**“As a member of the praise team I have had the privilege to serve with Tina Samples for the past few years. Tina has tremendous musical gifts. Vocally, she is outstanding along with her phenomenal abilities on the piano, she is able to lead groups to a level of worship that only few people can do. I have seen her lead worship in small forums as well as in large venue with sufficient capability. She allows the Spirit of God to flow through her as she ministers through her music. Tina has made me better in my skills by working under her leadership.”**

**“Oh my goodness, one of the *greatest blessings* in my life was to have been involved with the worship led by Tina. My own personal worship has grown to a new level of love and a depth that amazes me. I truly believe that God enables Tina to touch the hearts of those who enter God's House each week and the music ushers us into His presence. The worship time is not just singing songs, it becomes singing prayers from the heart to the one true and living God. It is filled with such passion that I often would feel the Holy Spirit, and would experience "Holy Ghost Bumps" (Spirit filled goose bumps). It is an experience I wish everyone could have.”**

**Linda Kannenberg**

**“It's very....filling, very much praise for GOD with a tremendous amount of obvious love for HIM and what HE does. I feel really blessed to be a part of it and would be happy to be a part of it every week.”**

**Amanda Allen**

**“I look at participation in the worship team as participation in worship, whether it's during a church service, team rehearsal, or practicing alone at home. It is a high point of the week”.**

**Tom Macy**

**The praise and worship has allowed me freedom to love on God. I am not sure if that makes sense but I get lost in his presence and I feel the anointing of his love as it flows between our Lord and me.**
